

ABOUT ME

I am a Software, Game, Web Developer and a Coding Mentor .

An open-minded, self-motivated individual, who enjoys the science behind things, (I'm fascinated by the ways things work) and the great outdoors. I am eager to be challenged in order to grow and improve my communication and professional skills.

EDUCATION

2018

Full-Stack Engineer

CODESPACE ACADEMY

CapeTown, South Africa

The Life Choices/CodeSpace Academy is a full-time program which empowers youth from Cape Town with life, practical and professional development skills. We did intensive study of the following web development languages:HTML, CSS, JavaScript, jQuery, Nodejs & MongoDB.

2018

Google Africa: Front-End Developer

UDACITY & ANDELA LEARNING COMMUNITY

CapeTown, South Africa (Udacity Online)

A front end course that was offered as part of the Udacity & Andela Learning Community patnership. Subjects Completed : HTML, CSS, JavaScript & jQuery

2019 –2022

BSc Computer Science (Games Development)

UNIVERSITY OF LONDON (GOLDSMITHS)

CapeTown, South Africa (Coursera)

I want to be at the forefront of the thriving gaming world, creating software tailored to games development. Video games are a critical application area for computer science, and the games industry forms a significant part of the creative economy.
